

Anaesthesiology with Aleksandr Semjonov!

4 Wednesday evenings = 4 virtual meetings

December 8, 15, 22 and 29 at 18:30-20:00

Platform: ZOOM, Language: *Russian*.

Speaker:

Aleksandr Semjonov, DVM, PhD

Senior clinician and senior lecturer of anaesthesiology, surgery and intensive care, Chief Clinical Officer at Animal Clinics, Institute of Veterinary Medicine and Animal Sciences, Estonian University of Life Sciences, Tartu, Estonia. Chairman of veterinary group of Eurasian Regional Association of Zoos and Aquaria. Annual speaker with sold out seats in seminars of Veterinary Education Centre of Latvia for last 6 years!

Introduction: Though we would like to invite Dr Semjonov to our auditorium at Faculty, we are organising these webinars to bring these difficult but appealing and easy-to-understand manner information straight to your homes and work places! Let's brighten up the evenings of December together updating our knowledge in these challenging topics of veterinary medicine with excellent speaker - Aleksandr Semjonov!

WEBINAR DATES, TIME AND TOPICS:

December 8 18:30 – 20:00*	Recognizing and management of intraoperative anaesthetic complications
